

OnSys M6B-E6 Conference Bluetooth Speakerphone

The OnSys M6B-E6 is a professional-grade Bluetooth speakerphone designed for seamless conference calls. It features 8 omnidirectional microphones for 360° sound capture, ensuring crystal-clear audio. A powerful 5W speaker enhances voice clarity, while its 8000mAh battery supports up to 13 hours of continuous use. With multiple connection options including USB, Bluetooth, AUX, and a wireless dongle, it offers versatility for various setups. Ideal for business meetings, it ensures high-quality calls with advanced DSP noise reduction.

Features

- 360° Mic Coverage
- 5W Ultra-Clear Speaker
- Full Duplex Audio
- Multiple Connectivity
- Long Battery Life
- Expansion Mic Support

Specification
